Dear Jan Wagner,

Thank you so much for making the TNOYS annual training conference "Survivors: Resiliency and Youth Work" a huge success.

Enclosed is a copy of your workshop's evaluation results. We hope you find this information helpful for future presentations. Please note that we simply provide all comments - unedited; we realize that sometimes these comments relate to circumstances over which presenters have no control.

Again, many thanks for taking the time to share your expertise with conference participants, and we hope you found the opportunity for sharing and networking rewarding.

Sincerely,

Theresa Tod
