CELEBRATING STUDENTS' YEAR ON THE WINGS OF KNOWLEDGE

Thursday, January 27, 2000

Mr. Michael Deluca
23 Magnola Drive
Rocky Point N.Y. 11778

Dear Michael,

We would like to take a moment to thank you and your staff for the excellent presentation that was received by our school. Child safety is one of the most important subjects we can teach our kids and your staff presented it tastefully and the children had fun at the same time. We have gotten positive feedback from our parents and are well on our way to making child safety a regular part of our curriculum. Keep up your good work and we look forward to using your organization in the future.

Sincerely yours,

Daniel Yuengling
Health and Safety Committee
